# 3 PT HITCH / PARRALLEL LINK

Husky Farm Equipment Ltd has designed a new line of 3 Point Hitches & Lift Kits for use with our Elite, Slim Line, Galvanized & Tri Axle Manure Tankers. With its overall compact size and superior strength to previous models, the New hitches will excel in all applications New compact design allows hitch to be mounted closer to tank, keeping weight centered around axle. This makes for a stronger and better balanced unit.

- Quick Disconnect Lower Links
- Down Pressure OR Independent Floating Lift Arms
- Fold-Away Lift Arms
- Lift Arms precision cut & formed
